

PULL-UP CLEATS ADD CONTEMPORARY ELEGANCE TO YACHTS

Nothing clouds the sleek lines of a modern luxury yacht like blocky hardware protruding above the deck. Distinctive Accon Marine Pull-Up Cleats in 12" and 15" sizes bring a more contemporary solution with quality, stylish retractable designs.

Offered in a choice of screw mount or stud mount models, 12" and 15" Pull-Up Cleats feature marine grade, 316 stainless steel construction for exceptional strength, durability and corrosion resistance in any environment. Each comes with a waterproofing cup, plus a backing plate that serves as a handy installation template.

Measuring 12.6" in overall length and just 3.7" wide, the 12" Accon Pull-Up Cleat accommodates lines up to .75" dia. and loads to 14,000 lbs. The larger 15" model measures 17" in overall length and 5.3" wide. It's the largest pull-up cleat available today, able to handle lines up to 1" dia. and loads to 20,000 lbs. MSRP for the Accon Marine 12" Pull-Up Cleat starts at \$429.45, while the 15" model starts at \$930.26.
