

PULL-UP CLEATS ADD CONTEMPORARY ELEGANCE TO YACHTS

Nothing clouds the sleek lines of a modern luxury yacht like blocky hardware protruding above the deck. Distinctive Accon Marine Pull-Up Cleats in 305mm and 381mm sizes bring a more contemporary solution with quality, stylish retractable designs.

Offered in a choice of screw mount or stud mount models, 305mm and 381mm Pull-Up Cleats feature marine grade, 316 stainless steel construction for exceptional strength, durability and corrosion resistance in any environment. Each comes with a waterproofing cup, plus a backing plate that serves as a handy installation template.

Measuring 320mm in overall length and just 94mm wide, the 305mm Accon Pull-Up Cleat accommodates lines up to 19mm dia. and loads to 6,350kg. The larger 381mm model measures 432mm in overall length and 135mm wide. It's the largest pull-up cleat available today, able to handle lines up to 25mm dia. and loads to 9,072kg.
