CLEANER & CONDITIONER RESTORES MARINE UPHOLSTERY

Tired, faded upholstery tends to make boats appear older than they are. With Vinyl and Leather Cleaner & Conditioner from Iosso Products, it's easy to restore the appearance of a wide range of marine materials. This versatile product also protects against the ravages of UV rays, ozone, suntan lotion, dirt, grime and environmental extremes.

Vinyl and Leather Cleaner & Conditioner is a unique blend of natural oils that cleans and conditions in one easy step. It restores sheen and suppleness to colored marine vinyl, isinglass, plastic, leather and rubber, and makes surface scratches less visible. It's also the ideal product for renovating RV and classic car upholstery, and heavy-duty commercial and outdoor seating.

Using the formula is simple. It's sprayed onto the surface and wiped with a clean, lint-free cloth or microfiber towel. Light buffing provides a glossy sheen that not only looks good but helps the material resist damage from rain, salt spray and other contaminants. Iosso Vinyl and Leather Cleaner & Conditioner costs \$4.95 for a 4 oz. spray bottle, \$12.95 for 16 oz. and \$65.95 for a gallon container.
