COLLECTION OF BOAT TOOLS IN TIME FOR HOLIDAYS

To own a boat is to accumulate marine-related tchotchke in the form of gifts. But there's an alternative just in time for the holiday season: the Basic Boater Kit from Shurhold. Not just for new owners, the collection includes essential gear and tools to clean a boat and keep it looking its best.

Made in the USA, the Basic Boater Kit begins with Shurhold's premium 6' Telescoping Handle. Heat-treated and triple anodized, the handle locks at four lengths between 40" and 72". This makes it easy to stow and simple to reach hardtops and waterlines. The included 3-in-1 Boat Hook, Soft Deck Brush and Flexible Water Blade with adapter snap onto the handle with the exclusive SHUR-LOK quick release system—as do over 40 other Shurhold tools and accessories.

Rounding out the Basic Boater Kit are a 32 oz. bottle of Brite Wash boat soap and a 14 oz. can of Serious Shine One Step Detailer. Three heavy-duty Microfiber Towels make short work of cleaning tasks. The Shurhold Basic Boater Kit costs \$166.86.

Dedicated to educating boat owners, Shurhold provides key tips for boat value preservation at www.shurhold.com. Inventor of the One Handle Does It All system, Shurhold manufactures specialty care items and accessories to clean, polish and detail.
