## SHOWROOM SHINE WITHOUT THE BACK-BREAKING TOIL

Maintaining a boat's surfaces is a year-round priority, but one that's often avoided because of the time and energy needed to get it done. With Shurhold Pro Polish Wax & Sealant, it's easy to maintain a long-lasting showroom shine without the back-breaking toil.

Made in the USA, Pro Polish Wax & Sealant is not a wax. It's a scientifically formulated three-in-one cleaner, sealant and polish. Boat surfaces are protected from harsh, damaging effects of UV rays, acid rain, salt, water stains and other environmental contaminants.

Highly concentrated, Pro Polish Wax & Sealant contains no talc or other fillers. Cosmetic-grade ingredients apply quickly and easily, don't leave a powdery residue and are safe to use on many non-porous surfaces, such as gelcoat, paint, clearcoat, chromed and stainless steel or aluminum. A video is at [www.bit.ly/ShurholdProPolish](http://www.bit.ly/ShurholdProPolish). Shurhold Pro Polish Wax & Sealant in a 16 oz. bottle sells for \$19.98, or in a gallon jug for \$99.98.

Inventor of the One-Handle-Does-It-All-System, Shurhold is the leading manufacturer of premium detailing supplies that help clean, polish and protect vessels. Dedicated to educating boat owners, Shurhold provides key tips for boat value preservation at [www.shurhold.com](http://www.shurhold.com).
