## SHOWROOM SHINE WITHOUT THE BACK-BREAKING TOIL

Maintaining RV surfaces is a year-round priority, but one that's often avoided because of the time and energy needed to get it done. With Shurhold Pro Polish Wax & Sealant, it's easy to maintain a long-lasting showroom shine without the back-breaking toil.

Made in the USA, Pro Polish Wax & Sealant is not a wax. It's a scientifically formulated three-in-one cleaner, sealant and polish. RV surfaces are protected from harsh, damaging effects of UV rays, acid rain, tar and oil, road salt, water stains and other environmental contaminants.

Highly concentrated, Pro Polish Wax & Sealant contains no talc or other fillers. Cosmetic-grade ingredients apply quickly and easily, don't leave a powdery residue and are safe to use on many non-porous surfaces, such as fiberglass, paint, clearcoat, chromed and stainless steel or aluminum. A video is at [www.bit.ly/ShurholdProPolish](http://www.bit.ly/ShurholdProPolish). Shurhold Pro Polish Wax & Sealant in a 16 oz. bottle sells for \$19.98, or in a gallon jug for \$99.98.

Inventor of the One-Handle-Does-It-All-System, Shurhold is the leading manufacturer of premium detailing supplies that help clean, polish and protect RVs. Dedicated to educating RV owners, Shurhold provides key tips for RV value preservation at [www.shurhold.com](http://www.shurhold.com).
